FINANCIAL AID

AT CORNELL UNIVERSITY

THE INFORMATION in this Announcement applies only to the undergraduate divisions of Cornell University in Ithaca; separate publications are available for students interested in the Graduate School of Business and Public Administration, or in the Medical College, or in the Cornell University-New York Hospital School of Nursing in New York City.¹ Fellowships and other forms of assistance available to graduate students are listed in the *Announcement of the Graduate School*.

This Announcement is issued for the guidance of two groups: prospective students, their parents, and counselors; and students already in residence. Correspondence from and concerning prospective students should be addressed to the Director of Admissions, Edmund Ezra Day Hall, unless specific directions to the contrary are given in the following pages. Students in residence should consult the Office of Dean of Men and Dean of Women in Edmund Ezra Day Hall, unless some other procedure is definitely prescribed.

SCHOLARSHIPS AND GRANTS-IN-AID

Prospective students should study this Announcement early in the final year of secondary school, in order to be certain that their applications are on file at the proper time and that they make the necessary arrangements to take the required tests. The applicant should also be careful to follow every prescribed step in the procedure outlined in the *General Information Announcement* for admission to the school or college of the University in which he desires to enroll.

As indicated in the following pages, some scholarships and grants are open to all students in all divisions of the University. Others are limited to students in particular schools or colleges; to men or women only; to students who have attained sophomore, junior, or senior standing; to persons from specified geographic areas; and even, in a few instances, to special racial groups, such as Chinese or American Indians. In all cases, preference is given to matriculated students unless the ward is specifically designated as a freshman scholarship. *Transfer students* may not compete for freshman scholarships but are

¹See, however, the description of the fund of the Committee for Scholarships of the Cornell University-New York Hospital School of Nursing on page 50.

eligible for the other awards after being in residence at Cornell for at least one semester. The donors of a large number of the available funds have placed emphasis on financial need as well as academic achievement. Every applicant should therefore study the entire Announcement carefully to determine what qualifications are demanded before submitting an application for a scholarship or grant.

LOANS

Students who have successfully completed at least two terms in the University are eligible to apply for loans (see page 56).

PRIZES

For graduate and undergraduate students in residence at Cornell, numerous prizes and special awards for achievement are listed in the *Announcement of Prize Competitions*, which may be obtained at the Office of the Dean of Men and Dean of Women in Edmund Ezra Day Hall, or by writing to Cornell University Announcements, Edmund Ezra Day Hall, Ithaca, N.Y.

EMPLOYMENT

Many Cornell students augment their financial resources by obtaining part-time employment during the academic year. Assistance in securing this type of work, as well as summer employment, is provided by the University through the Office of the Dean of Men and Dean of Women. If you are seeking term-time work or a summer job, you may discuss your situation with the Employment Counselors (for men in Room 149, for women in Room 142, Edmund Ezra Day Hall).

PART IV

LOANS

LOANS

Loans to promising students in need of assistance have been made possible by many gifts to the University. It is a general policy to grant such loans only to students who have completed at least one term at Cornell.

The student in need of assistance should consult first with the Dean or Director of the school or college in which he is enrolled. If funds are not available from that source, he should discuss his problem with the Financial Counselor in the Office of the Dean of Men and Dean of Women, 142 Day Hall.

Approval of requests for loans is based on such factors as financial need, personal reliability, and academic progress.

Money borrowed from Endowment or University funds is to be repaid with interest at 4 per cent. The interest starts when the student leaves Cornell, unless otherwise provided by the terms of the Endowment, at a time agreed upon between the borrower and the Treasurer. The borrower gives a note as security; collateral is not required. The University Committee on Student Aid has adopted certain rules which experience has shown to be necessary to ensure that these funds shall accomplish a maximum of effectual help to deserving students. These rules impose certain restrictions upon the Committee's disposition of the funds. Among the restrictions are these:

1. A student is eligible to borrow from this source only after maintaining a satisfactory standing in classes and in other respects during a residence of at least one term in the University.

2. A loan is not ordinarily made to enable a student to meet the expenses of the Summer Session.

3. Certain limitations are imposed on the amount which a student may borrow. Ordinarily, loans do not exceed \$600 for any academic year. Students considering borrowing should consult the Financial Counselor in the Office of the Dean of Men and Dean of Women, 142 Edmund Ezra Day Hall.

LOAN ENDOWMENT FUNDS have been named for Francis Leon Chrisman, '87; Walter P. Cooke, '91 (for students in law); Florence E. Dearstyne (for women); Grove Karl Gilbert, '74; Anna Fielden Grace Endowment (to be administered by the head of Residential Halls Department); Frederick W. Guiteau (for men); Theodore G.
